

**FSU AUTISM
SUPERHERO 5K & 1 MILE FUN RUN
APRIL 9, 2016**

**AUTISM
INSTITUTE**
The Florida State University
College of Medicine

Dear Future Puzzle Partner,

On **Saturday, April 9th**, the FSU Autism Institute will be “Running to Put the Pieces Together” in our 9th Annual 5K & 1 Mile Fun Run at Northwood Center. The FSU Autism Institute along with the CARD Office (Center for Autism and Related Disabilities) serves over 3,700 individuals ranging from toddlers to adults in the 18 counties of the Florida Panhandle. The valuable services provided through CARD, such as consultation, resources and educational support are free to individuals with ASD, their families and professionals who work with them. These services help to build knowledge, confidence, infrastructure and sustainability in our community for those living with ASD.

The FSU Autism 5k is your way to help those affected by autism living in Tallahassee and the panhandle. Your support will help us to continue to provide these services and you will become a member of a community of professionals, families, and individuals touched by autism spectrum disorder in our area. We look forward to your response and greatly appreciate your consideration to partner with the FSU Autism Institute.

Thank you,

A handwritten signature in blue ink, appearing to read 'L. Morgan'.

Lindee Morgan, Associate Director
Florida State University Autism Institute
