

# **CARD** Annual Statewide **CONFERENCE**

## **Next 25 Years: The New Frontier**

Approaching warp speed

**01/12-14/2018**

**We've come a long way in 25 years of supporting those with autism and related disabilities. Join us, as we explore what the future holds.**

The CARD Conference provides access to evidence based information that promotes best practices in early intervention, education, and transitioning to adulthood for individuals with autism, deaf-blindness, and related disabilities.

Registration and information at:
