

AUTISM INSTITUTE

The Florida State University
College of Medicine

Dear Future FSU Autism Institute Partners,

On **Saturday, October 7th**, the ***FSU Center for Autism and Related Disabilities (CARD)*** along with the ***FSU Autism Institute*** will host its ***1st Annual Touch-A-Truck*** event at the Edgewater Office Park in Tallahassee. ***FSU CARD*** serves over 4,400 individuals ranging from toddlers to adults in 18 counties throughout the Florida panhandle. The valuable services provided through ***FSU CARD***, such as consultation, resources and educational support are free to individuals with autism spectrum disorder (ASD) and related disabilities, their families and professionals who work with them. These services help to build knowledge, confidence, infrastructure and sustainability in our community for those living with ASD.

The ***Touch-A-Truck*** event is a way to further the mission of ***FSU CARD*** and the ***FSU Autism Institute*** to support those living with autism and their families in our community. We would like to invite you to become a sponsor of our ***1st Annual Touch-A-Truck*** event on **October 7, 2017**. This will be a family-friendly event where children and adults of all ages can ***get up close and personal*** with larger-than-life trucks, heavy construction vehicles, public safety equipment, cool cars and other specialty vehicles. All net proceeds from the event will support the services, training, and research provided through the ***FSU CARD*** office and the ***FSU Autism Institute***. Your sponsorship will make you a partner of the ***FSU Autism Institute***, and a treasured member of our community professionals, families, and individuals touched by autism spectrum disorder.

We look forward to your response and greatly appreciate your consideration to partner with the ***FSU Autism Institute*** and ***FSU CARD***.

Thank you,

A handwritten signature in black ink that reads 'Catherine Zenko'.
