

Dear FSU Autism Institute Partners,

Thank you for your continued support of the Center for Autism & Related Disabilities (CARD) and the FSU Autism Institute. Your support has allowed us to continue to provide valuable services to over 4,600 individuals ranging from toddlers to adults in the 18 counties of the Florida Panhandle. The valuable services provided through CARD, such as consultation, resources and educational support are free to individuals with autism spectrum disorder (ASD), their families and professionals who work with them. These services help to build knowledge, confidence, infrastructure and sustainability in our community for those living with ASD.

Last year, FSU CARD and the FSU Autism Institute held two brand new events that were great successes, and we are excited to continue these events again this year! We would like to invite you to partner in **one or both** of our annual efforts to raise funds that will directly support the services provided through the FSU CARD office.

On **Saturday, April 28th**, FSU CARD will host its 2nd Annual "Kickin' It For Autism" soccer clinic in partnership with the **FSU Soccer team and coaches**. This inclusive opportunity opens the door to athletes with varying abilities to learn and play alongside each other. Check out this inspiring video from last year's event! <http://bit.ly/2oZCfL7>

In **October**, the FSU Autism Institute will host the 2nd Annual Touch-A-Truck event. This is a family-friendly event where children and adults of all ages can **get up close and personal** with larger than life trucks, heavy construction vehicles, public safety equipment, cool cars and other specialty vehicles. Check out pictures from last year! <https://goo.gl/UyDKZX>

We look forward to your response and greatly appreciate your continued partnership with FSU CARD and the FSU Autism Institute.

Thank you,

Catherine Zenko, M.S., CCC-SLP  
Director, FSU Center for Autism and Related Disabilities (CARD)

*"It was an amazing opportunity. My son had a wonderful time and has not stopped talking about it." -2017 Kickin' It for Autism participant*

*"I've taken my kids to other vehicle events in town, those were great, but yours was the best yet! The highlight was when my son got to drive the small tractor from the tree service, and even pick stuff up with the lift! Really well done event, and very entertaining for the kids." -2017 Touch-a-Truck participant*
