

FSU Center for Autism & Related Disabilities IEP and 504 Basics

Presented by **Debi Bennis** from the **Florida Network on Disabilities** this training will cover the major differences between IEPs and 504 Plans, help differentiate between medical diagnosis and educational classification, and give examples of the accommodations that can be used to help support a student's success in different educational settings.

FSU CARD is dedicated to providing individuals with autism or related disabilities, their families, and professionals who work with them, free consultation, resources, and educational support to build knowledge, confidence, infrastructure, and sustainability within the community.
