

Hello,

Thank you for your referral to the Center for Autism and Related Disabilities (CARD). CARD is a state funded agency whose purpose is to serve individuals with Autism Spectrum Disorder (ASD) or Related Disabilities, their families, schools, and community. Please review materials in your packet as they provide more information on ASD, Related Disabilities, and CARD services. The referral process is as follows:

1. Complete the enclosed forms.
2. Complete the permission to observe and/or exchange information form including all agencies or individuals with whom we can exchange information. Also include your signature and the current date.
3. If you are the legal guardian of the person 18 years of age or older, we require your signature on the permission to observe and/or exchange information form in order to exchange information with you or others. A copy of your guardianship documentation must be included with the referral.
4. To comply with the legislative rule under which we function, documentation of a diagnosis of ASD or Related Disabilities must be submitted. Examples of appropriate documentation include: diagnostic evaluation reports from a neurologist, physician, psychiatrist, psychologist, or social worker. Documentation may also include school evaluations or IEP indicating exceptionality of Autism/ASD.
5. Return all information in the enclosed envelope.
6. Once your referral is received and eligibility is established, a CARD consultant will contact you to discuss our services as they relate to you and your needs.
