

# FSU Center for Autism & Related Disabilities

## You're Invited

Attention Parents and Guardians of Children with Autism Spectrum Disorder (ASD)

Please join the Autism Institute and Kevin Spencer, FSU Opening Nights Performer (<https://openingnights.fsu.edu/events/kevin-spencer/>), for a discussion about magic and arts integration for students with autism.

Kevin's Hocus Focus™ activities combine education and imagination to help children improve their abilities in planning, sequencing, organizing tasks and movements, fine motor skills, gross motor function/coordination, concentration, memory skills, community, social behaviors, and so much more! <https://kevinspencerlive.com/>

FSU CARD is dedicated to providing individuals with autism or related disabilities, their families, and professionals who work with them, free consultation, resources, and educational support to build knowledge, confidence, infrastructure, and sustainability within the community.
