

FSU Center for Autism & Related Disabilities  
**Social Security and Disability:  
Navigating the Process**

This session will provide a brief overview of the Social Security Disability process for parents and caregivers, including how to transition from SSI to SSDI when an individual turns 18.

FSU CARD is dedicated to providing individuals with autism or related disabilities, their families, and professionals who work with them, free consultation, resources, and educational support to build knowledge, confidence, infrastructure, and sustainability within the community.

**Thursday, September 10th**

**7:00 pm- 8:30 pm EST / 6:00 PM to 7:30 PM CST**

**Zoom Video Conference**
